# Oncology Resources •

This brochure has been developed to provide you with a list of the resources available to assist your practice with issues related to oncology care. The materials include contact information for each state's oncology medical society as well as frequently used oncology-related websites. If you have additional questions, feel free to contact:

## The Reimbursement Connection®

The Reimbursement Connection® provides personalized, professional services to assist you in resolving reimbursement issues.

1-800-272-9376

Monday through Friday

9 AM to 8 PM (ET)

[www.reimbursementconnection.com](http://www.reimbursementconnection.com)

## Medical Information Connection™

Amgen's Medical Information Connection™ provides a personal link to the latest scientific information and clinical data. Highly trained medical information experts provide timely responses to inquiries about Amgen's products and related therapeutic areas.

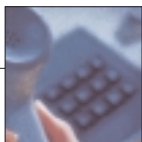

Call or visit us on the web:

1-800-772-6436 (1-800-77-AMGEN)

Monday through Friday

10 AM to 7 PM (ET)

## Oncology-Related Websites •

### **Agency for Healthcare Research and Quality**

<http://www.ahrq.gov>

Part of the U.S. Department of Health and Human Services charged with supporting research designed to improve the quality of health care, reduce its cost, and broaden access to essential services. An interesting site to review for HHS priorities in health care policy.

### **The Alliance for Lung Cancer Advocacy and Support (ALCASE)**

<http://www.alcase.org>

(800) 298-2436

Helps people with lung cancer through education, support, advocacy and rehabilitation. Website provides information on lung cancer, clinical trials and provides connection to others with lung cancer.

### **American Association of Retired Persons (AARP)**

<http://www.aarp.org>

(800) 424-3410

An organization for people of age 50 and older. Provides information, education, advocacy, and community services through a network of local chapters and experienced volunteers. The website has up-to-date issues and provides an opportunity to send comments to Congress.

### **American Cancer Society**

<http://www.cancer.org/>

(800) 227-2345

Focuses on general needs for the cancer community.

### **Association of Cancer Online Resources**

<http://www.acor.org>

Offers access to 99 electronic mailing lists and a variety of unique websites.

### **American College of Oncology Administrators**

<http://www.aameda.org/Specialtygroup/s/ACOA/oncology1.html>

ACOA's mission: to promote the advancement of its members' professional standing, education and personal achievement in oncology management, research, strategic planning, program development and networking.

### **American Society of Clinical Oncology (ASCO)**

<http://www.asco.org/>

(703) 299-0150

ASCO's website can help you understand important public policy issues.

### **American Public Health Association/ Legislative Affairs Page**

<http://www.apha.org/legislative/>

Provides updates, action alerts, fact sheets, and an advocate network for issues affecting health and patient rights.

### **American Society for Therapeutic Radiology and Oncology**

<http://www.astro.org>

A portion of ASTRO's mission is to advance the practice of radiation oncology by disseminating the results of scientific research, promoting excellence in patient care.

### **Cancer Care, Inc.**

[www.cancercare.org](http://www.cancercare.org)

(800) 813-HOPE

Web site section on patient advocacy.

### **Cancervive**

310-203-9232

Provides advocacy for cancer survivors.

### **Cancer Liaison Program**

[www.fda.gov](http://www.fda.gov)

(301) 827-4462

A division of the Food and Drug Administration (FDA) providing information and education on the FDA drug approval process, cancer clinical trials and access to investigational therapies.

### **Cancer Trials Update**

<http://cancertrials.nci.nih.gov>

A service of the National Cancer Institute.

### **Colon Cancer Alliance**

<http://www.ccalliance.org/>

The Colon Cancer Alliance provides patient support, education, research, and advocacy.

### **Families USA**

<http://www.familiesusa.org/>

Families USA is a national nonprofit, non-partisan organization dedicated to the achievement of high-quality, affordable health and long-term care for all Americans.

### **FirstGov: Your First Click to the US Government**

<http://www.firstgov.gov/>

More than 628,000 web pages from U.S. Government and military sites around the country, searchable by topic.

## Oncology-Related Websites (Continued) •

### **Health Care Financial Management Association**

<http://www.hfma.org>

HFMA is the nation's leading personal membership organization for financial management professionals.

### **International Myeloma Foundation**

<http://www.myeloma.org>

### **Leukemia Society of America**

<http://www.leukemia.org>

### **Lymphoma Research Foundation of America, Inc.**

<http://www.lymphoma.org>

### **Multiple Myeloma Research Foundation**

<http://www.multiplemyeloma.org>

### **National Alliance of Breast Cancer Organizations (NABCO)**

<http://www.nabco.org>

### **National Breast Cancer Coalition**

<http://www.natlbcc.org>

(202) 296-7477

A grassroots advocacy group fighting breast cancer through action, advocacy, and public education.

### **National Cancer Institute**

<http://www.cancernet.nci.nih.gov>

### **National Comprehensive Cancer Network**

<http://www.nccn.org>

The NCCN seeks to support and strengthen the mission of member institutions.

### **National Prostate Cancer Coalition**

<http://www.4npcc.org/>

(813) 253-0541

A network of groups and individuals dedicated to promoting awareness, education, advocacy, and increased research funding for prostate cancer.

### **Oncology Nursing Society**

<http://www.ons.org>

### **Ovarian Cancer Alliance**

<http://www.ovariancancer.org>

### **Patient Advocate Foundation**

<http://www.patientadvocate.org/>

(800) 532-5274

Helps cancer patients with insurance coverage issues through its "National Legal Resources Network" and insurance negotiation with managed care through its "National Managed Care Network."

### **National Cervical Cancer Coalition**

<http://www.nccc-online.org/>

(818) 909-3849

A grassroots coalition of women's groups, medical professionals, hospitals, patients, and other associations promoting the cervical cancer screening test. Site contains information about cervical cancer and treatment.

### **National Coalition of Hispanic Health and Human Services Organizations**

<http://clinet.ucr.edu/community/cossmho.html>

A membership organization dedicated to improving the health and psychosocial well being of the nation's Hispanic population.

### **National Family Caregivers Association**

<http://www.nfcacares.org/>

Provides education, support, and advocacy for caregivers.

### **National Hospice and Palliative Care Organization**

<http://www.nhpco.org/>
